A convenient location you will love, popularity amongst the local shopping centre, and plenty of loyal local customers and shoppers makes the perfect business. Even the use of tables and chairs have been implemented for customers to sit down and relax to wait for the car to get washed or the location is convenient to go shopping while waiting, which is a popular option drawing many customers and attention.

This business has an overflow of customers, currently trying to find more staff. The current owner said they are busy sometimes, and many bookings must wait for availability. This shows the prosperity of the business.
