industry. It also oversees operations for its head office, contract businesses, and retail outlets. Several clients have remained with the company for nearly the entire journey. This factory carries decades of goodwill and is now being offered to the market for the first time.”

The factory just added a new refurbishment, with aircon. The newly refurbished factory has made the workspace feel very adaptably confinable with new air conditioning. All equipment on site is working perfectly in good order, whilst being professionally organised and displayed for a ready-to-go approach.

Everything is set up for a new owner to walk in and start making great profits and expanding for future huge profitable growth. They have a full manual on all procedures and all systems within the business. With marketing through an online store via a personal and professional website, as well as marketing through Instagram and Facebook.

All machinery is heavy-duty, industrially high quality, and regularly maintained. In 2022, They bought a lot of new equipment, computers, etc.

All these assets have been paid.

### **System and Procedures:**

Full manual on all procedures and all systems within the business, including:

- Manufacturing
- Work Safety
- Staff Training
- MYOB Accounts
- HACCP
- Repairs & Maintenance

- Schedules
- Suppliers, backup suppliers
- Product Specification Sheets
- Logos & photographs of all products

#### **Key benefit:**

- HACCP Certificate which is the international standard for food safety.
- Long established business
- Long-term loyal branding franchise and wholesale customers in place.
- First time for the sale
- B to B business has much better value
- Very low rent with a long-secured lease
- stable suppliers
- High-quality industry machinery
- All systems in place
- location is movable without affecting the customers.
- Christmas holidays every year for 3 weeks

#### **Facility:**

- It is the most appealing, clean, and tidy factory we have ever seen.
- Specially built production room,
- Walk-in frozen and walk-in freezer, Storage room,
- 2 bathrooms one with shower, and kitchen.

#### **Potential:**

- The business holding a Licence entitles to manufacture confectionery such as nougat, fudge, coconut ice, muesli slice, etc., not just chocolate products
- Open a Retail Outlet on the premises.
- Increase online store product lines, branding, and packaging.
- Supply to more supermarket
- Expanding our Export Trade

- Open longer hours and days for a higher manufacturing quota.

### **Lessons/Classes:**

- Many requests for adult classes (similar to Paint & Sip) and this can be an opportunity to increase sales of products as well as income from lessons
- Pre-covid we had organised bus tours from retirement homes to visit us. We would prepare the products for sale and use the hour to allow visitors to taste test and purchase at factory prices. This can be restarted. Tour buses, school excursions, retirement homes, and food tours would all suit.
- Expanding Current Product List:
- They have Novelty molds for Easter, Valentine's, Christmas, Father's Day, Mother's Day, Birthdays, etc, and this can be used as extra sales revenue during these holiday periods. At the moment they are only doing Valentine's Day and Easter Eggs.

### **Bus tour income:**

Approximately \$50,000 per year.

There are 1–2 bus tours per month, with each bus carrying around 100 tourists. Their total purchases range from \$2,000 to \$3,000 per tour, and they prefer to pay in cash.
